Between™

TABLES

WORK HAPPENS. EMBRACE IT.

The rise of mobile workers. Increased desire for socialization. Escalating real estate costs. These trends are driving inventive ways of getting the job done. This new approach means getting the most out of every inch of space by adding versatile solutions that add value and increase productivity. Whether you're working here, there or anywhere Between, this table collection's got you covered.

CAFÉS & BREAK ROOMS: These change-of-pace settings help workers relax, refuel and reconnect with colleagues.

BREAKAWAY SPACES: Creating hubs for people to engage, socialize and be productive supports today's agile workforce.

CUSTOMIZE YOUR SELECTION
