Pillow-Soft®

SEATING WITH SIGNIFICANCE

THE LOOK YOU WANT. THE COMFORT YOU DESERVE.

Pillow-Soft chairs combine comfort, style and selection to deliver the ultimate seating experience. These executive level chairs combine thick, memory-foam cushioning with built-in lumbar support to reduce fatigue and increase comfort. The plush tufted leather or fabric upholstery is durable and stain-resistant, and the optional solid hardwood accents add a touch of sophistication. With a versatile selection of styles and functionality, it's easy to achieve a refined, consistent aesthetic throughout every area of your space, without sacrificing comfort.

A. WOOD ACCENTS

The 2190 Series features wood loop arms and a wood base in 8 finishes to coordinate with your HON office solution.

B. MEMORY FOAM

Responsive memory foam in the seat and back eliminates pressure points and provides lasting comfort. (2090 and 2190 Series high- and mid-back chairs only)

C. TILT CONTROL

The tilt tension control adjusts the amount of resistance felt during recline for a personalized fit.
