Build™

CREATE MORE. CONNECT
MORE. BUILD MORE.

WHATEVER THE TASK. WHEREVER THE SETTING.

Work happens here, there and everywhere. From open areas and training rooms to collaborative spaces between, Build meets your needs on your terms. Looking for a short-term parking outside the workstation? No problem. Training a group of new employees? Just say when. Build gives you total control over your environment, from the table configurations to the way they express your brand and style. The palette of worksurface laminates spans the entire spectrum, while the endless configurations cover all your needs. Create more. Connect more. Build more.

TABLES FOR THE NEW WORK DAY

Working, focusing, sharing, training—today's work spaces are constantly adapting to the new ways people work. With six interchangeable table shapes that can be arranged in a variety of creative ways, Build tables are always at the center of the action. By providing gathering places that support every type of work, it's easy to see how Build tables create the foundation for a more productive workplace.

Table height adjusts from 25" - 34" in 1" increments

COMMONS

A one-on-one meeting. Followed by a group discussion. Then a quick conversation over lunch. Active areas do it all, as long as the spaces are designed to keep up.

BREAKOUT

Sometimes you just have to break away. Position Build tables near desks to give workstation warriors a convenient retreat, informal meeting spot or change-of-pace work area.

TRAINING

From small to large group instruction, every training session is supported by Build. Each lightweight, mobile table can be easily repositioned and reconfigured to fit any need.

FOCUSED

Isolation. At times it can seem impossible to find. Now it's easy. Just place a Build table or two in a quiet spot to help anyone find their zen place.
